## Wedding Story

### 2013.6.27

This day I will marry my friend,  
the one I laugh with, live for, dream with, love.

You light up my world,and make me forget all my fears,  
Your laughter brightens up my days,and chases away all my tears.

The day you came into my life everything changed;  
you brought happiness, you brought hope,  
you brought contentment.

My first dream come true was meeting you  
My second dream come true was falling in love  
And every day since has been a dream come true,  
Because every day there is you!

There is no perfect way to explain how I feel about you;  
Saying “I Love You” doesn’t say enough  
I love you, I do, for the generosity,  
Gentleness and kindness  
That exudes from your heart

I fell in love with you again today  
At first there was a simple thought of you  
playing over and over in my mind

When the day has been long and the troubles last into the night  
All you've gotta do is smile and everything is suddenly alright

When I feel the weight of the world  
upon my shoulders  
and let things get under my skin  
All you've gotta do is smile  
and I'm ready try once again

From the moment we met, I knew that our friendship  
would develop into something lasting and precious,  
just like a caterpillar will someday become  
a beautiful butterfly.

No matter the troubles we may face,  
The good times and memories we make,  
You will always be what's important to me.

I'm happy to be spending  
This life with you,daring and dreaming creating and making  
The sweetest of memories that will last a lifetime through

I want to tell you "Thank you," but it doesn't seem enough.  
Words don't seem sufficient--"Blah, blah" and all that stuff.  
Please know I have deep feelings  
About your generous act. I really appreciate you;  
You're special, and that's a fact!
