Kazuya & Haruka

Wedding Story

2014.3.24

This day I will marry my friend,
the one I laugh with, live for, dream with, love.

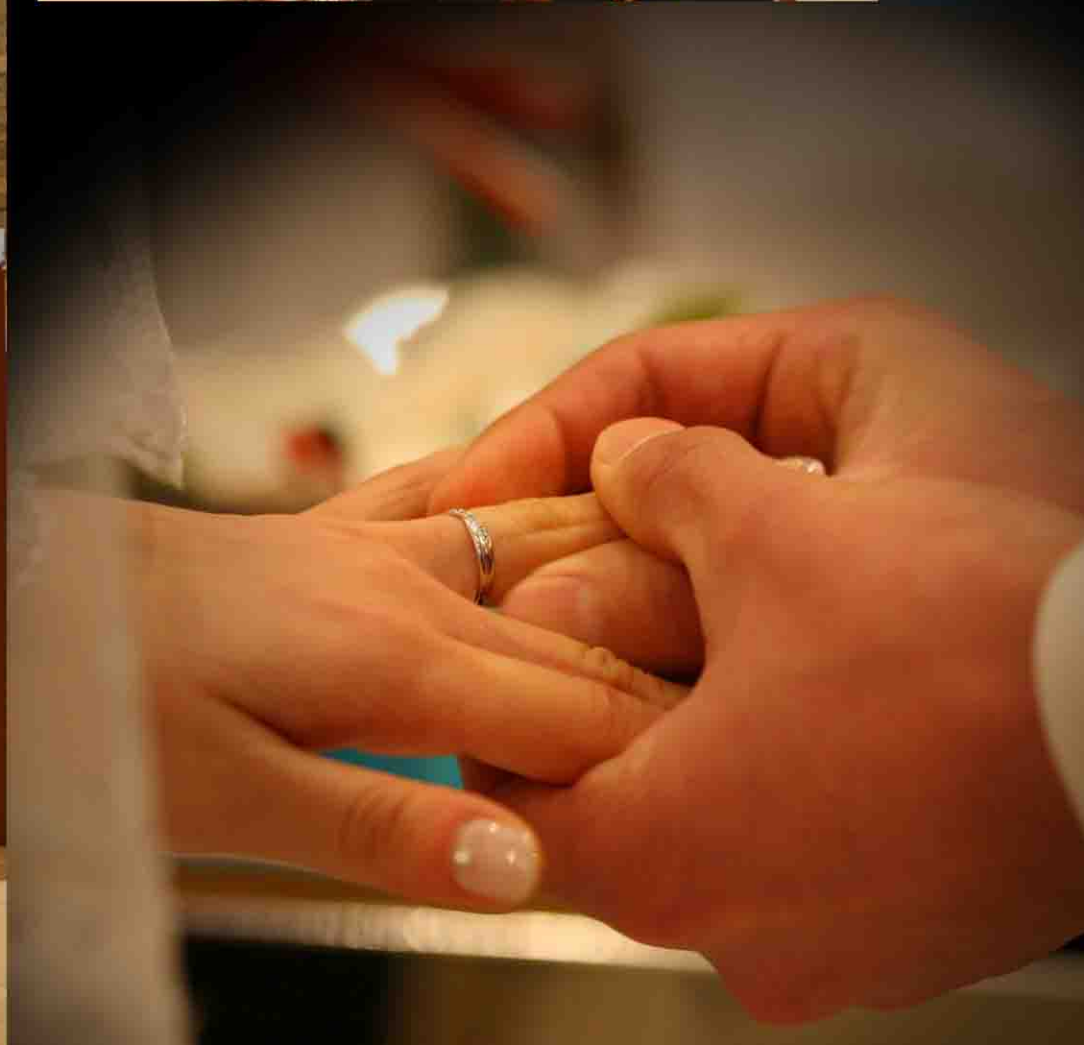

I've made many wishes, I've dreamt many dreams,
I've prayed many prayers, I've talked to God,

The day you came into my life everything changed;
you brought happiness, you brought hope,
you brought contentment.

When I need a shoulder to lean on
When I need an ear to bend
It was you I could turn to
It was you who would help me
To find myself again

I fell in love with you again today
At first there was a simple thought of you
playing over and over in my mind

Then I smiled
remembering the good times
the tender moments, the love we share,
the relationship we've built together

All of this made me happy.
and all of those feelings, that were once so new,
came rushing back

I give to you a love like no other,
not a love like a friend, not a love like a brother,
but a love so tender, pure and sweet.

This love I give for you to keep,
and as I look at you i can honestly say
I will always love you forever and
a day for rich or poor

I will always put your needs,
before my own;
before everything.
You are the most valuable thing
in my life,
You'll always come first,
I can promise you this.

For all the days of my life I will cherish you ,
I will honor and be good to you too.
No matter the troubles we may face,the good times
and memories we make,
You will always be what's important to me.

Thank you for what you did;
You didn't have to do it.
I'm glad someone like you
Could help me to get through it.
I'll always think of you
With a glad and grateful heart;
You are very special;
I knew it from the start!

I want to tell you "Thank you," but it doesn't seem enough.
Words don't seem sufficient--"Blah, blah" and all that stuff.
Please know I have deep feelings about your generous act.
I really appreciate you;
You're special, and that's a fact!

I'm happy to be the one
That you're happy sharing
These things with too I love you

I'm happy to be spending
This life with you,daring and dreaming creating and making
The sweetest of memories that will last a lifetime through

I'm happy to be sharing
This day with you
Laughing and living
Caring and giving
Doing the things
That people in love often do
